Monthly Events and Updates

L'Shona Tova

This week marks the beginning of the Jewish New Year of 5772. As we celebrate with bread and honey, we send wishes for a sweet and healthy New Year to our residents, families and all they hold dear.

Construction and Licensure Update

Check out the new egress door between the dining room and the laundry and the handicapped ramps from the two new east side emergency doors.

Hurricane Irene has slowed our construction a bit, but we expect that the rear ramps, new transformer and pad for the new generator with the new patio soon to follow will be completed by the end of the month. The renovations to the back stair will start by early November and be finished before the cold weather sets in. We expect (hope) to have the final inspection for licensure in December.

Happy Halloween

Resident Satisfaction Survey: We are grateful for all of you who took the time to respond to our survey, and appreciate your many kind words about the wonderful, conscientious and caring staff here at The Family Lodge. We are addressing a few areas that were pointed out as areas for improvement. One of these are the hallway carpets, which despite frequent washing, show dirt and wear. Just to let you know that it is on our schedule to replace these **after** the construction is finished (see update on page 4) and the crew has stopped tracking in mud.
